Dear Parents and Carers

By now you will have received a letter from the Leigh Academies Trust Chief Operating Officer, Neil Willis, announcing that it is necessary to close academies by the end of the day on Friday. We are currently reflecting on some of the details shared by the government about academies opening to pupils of key workers, pupils with an Educational Health Care Plan and vulnerable children. You will receive communication on this as soon as possible.

At present our staffing levels mean we will be able to open to the whole school on Thursday and Friday of this week. I will update you if there needs to be a partial closure should staffing levels fall dramatically.

We will write to you again before the end of the week with further details about how pupils can continue learning at home.

This is a very unusual and difficult time so I thank you for your understanding and support. I would like to thank our staff for their on-going resilience and enthusiasm to provide normality to our pupils for as long as we can.

Yours sincerely

Mrs G Stangroom
