Dear Parents/Carers

I am delighted to be able to share with you the feedback we have received from OFSTED following our inspection on 16th January. High Halstow Primary School continues to provide a good education for its pupils and safeguarding continues to be effective.

The inspector was complimentary about how we tackle problems that arise, how pupils behave and engage with learning and how the learning environment is rich and colourful.

I would like to take this opportunity to thank the staff and children for all the hard work they put in each day, to ensure we are able to continue working at this standard. I would also like to thank you as parents for your ongoing support.

It has been a pleasure to lead the school through this part of its journey. Working together, I am confident that the school will now continue on its journey towards becoming Outstanding.

Yours sincerely

Mrs L. Wilson
Acting Head of School
