

High Halstow Primary Academy

A pupil has SEND where their learning difficulty or disability calls for special educational provision, namely provision different from or additional to that normally available to pupils of the same age.

High Halstow Primary School Accessibility Plan

Introduction

High Halstow Primary Academy is committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and developing a culture of inclusion, support and awareness throughout the school.

The academy recognises its duty in complying with all disability and equal opportunities legislation:

- not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and extracurricular activities
- not to treat disabled pupils less favourably
- to take all reasonable steps to avoid putting pupils with disabilities at a substantial disadvantage
- to publish an Accessibility Plan

Since April 2011, schools have also been bound by a part of the Equality Act 2010 called the Public Sector Equality Duty (also known as the PSED, or simply the "Equality Duty").

The Equality Duty replaces the previous three sets of duties on schools to promote disability, gender and race equality through having equality policies and action plans for these groups.

The School Accessibility Plan contains relevant actions that meet the requirements of the Equality Act to:

- Increase access to the curriculum for pupils with a disability, modifying the **curriculum** as necessary to ensure that pupils with a disability are as equally prepared for life as the able-bodied pupils.
- Improve and maintain access to the **physical environment** of the school, adding more specialist facilities as necessary – the academy takes into account the needs of pupils, parents and visitors with physical difficulties and sensory impairments when planning and undertaking future improvements.
- Improve, where necessary, the delivery of **written information** to pupils, staff, parents and visitors with disabilities.

ACCESS FOR DISABLED PUPILS TO THE CURRICULUM
